Risk Assessment & Crime Prevention

Safety and Security - Risk Assessments & Surveys

On site evaluation, assessment and independent professional advice from a team of specialists, helping you to make the right decisions and choices concerning the safety and security of your staff, clients, visitors and property.

Crime Prevention

Anyone can give you advice on how to make your premises more secure; finding the person who can find the right balance for your business or organisation is likely to be far more difficult. Bill Croft & Associates Ltd have a team of crime prevention advisors with many years of experience - trained by the Home Office, working in partnership with companies across the U.K. addressing crime, the fear of crime, violence and aggression, robbery, and burglary as well as finding cost effective and proactive solutions; addressing your needs.
